## Trips:

Squads (Battalion campers) take a River trip and a Hiking trip, alternating on Tuesdays or Thursdays. They leave at 10:15 and return by 3:30.

Posts (Trailblazer campers) take a Lake trip and a Hiking trip on Wednesdays, alternating between the morning and afternoon. The first time slot is 10:15-12:30, and the second time slot is 1:15-3:30.

During italicized sections, groups are separated by cabin and doing their own activities. During the non-italicized events, the entire camp is together.

Line Ups are held in the Stockade before all Bolded activities. All groups in camp are required to be at camp, and each cabin reports attendance.
